<p>WELDING CERTIFICATE 0029-CPR-5457-1-WC-0</p>	<p>Certificate N° 25/BE/5457-1-WC REV 0 Page 1 of 2</p>
---	--

This certificate is the annex of the conformity certificate 2+ of the production factory control (FPC) 0029-CPR-5456-0-0, in accordance with EN1090-1 Table B1.
It is hereby declared that the manufacturer has produced evidence that he fulfills the requirements of the European standard EN1090-2 for the execution of structural steel components (area code 20).

Manufacturer: **De Wandeler NV**
Ringaertstraat 11
8820 Torhout (Belgium)

Welding factory: **Same as above**

Technical specification: **EN1090-2:2018+A1:2024**

Execution class(es): **EXC1 - EXC2 - EXC3**

Welding process(es): **135 & 138**
(according EN ISO4063)

Material group: **1.1 & 1.2**
(according CEN ISO/TR15608 and EN1090-2, table 2 & 3)

Responsible welding coordinator: **Thomas De Wandeler** (EN 14731 – level S)
(title, name, surname, qualification, date of birth) Born on: 04/08/1982

Substitute: **Andy Bonny** (EN 14731 – level B)
(title, name, surname, qualification, date of birth) Born on: 10/03/1973

Confirmation: All provisions concerning welding as described in the above mentioned technical specification(s) were applied.

First certification date: 06/01/2023

Period of validity: 05/01/2027

Remarks: none

Date: 12/06/2026 **Nom:** B. NEVE **Function:** **General Manager**

Notified Body Identification number: **0029**
Reference number: **P18627/000**

Signature: 

084 - PROD

General Terms

1. This certificate is valid as long as the terms of the above technical specifications themselves or the manufacturing conditions of the essential manufacturing factory have not changed significantly.
2. This certificate may only be reproduced or published for advertising or other purposes than as a whole. The text of promotional material doesn't has to be in conflict with this certificate.
3. In case of any doubt as to the suitability of the manufacturing factory (ies), there is the possibility reserved by the inspection authority to carry out an unexpected spot check in the manufacturing factory paid by the manufacturer.
4. This certificate may be withdrawn at any time with immediate effect and be amended or modified if the conditions under which it has been granted, have changed, or if the terms of this certificate are not met.
5. The following changes must be reported to the inspection authority:
 - a) New production or significant changes to essential manufacturing facilities
 - b) Change of welding coordinator
 - c) Inception of new welding processes, new base materials and related WPQRs
 - d) New essential manufacturing facilities

The inspection authority will cause a supplementary examination in the cases cited.

<p>Certificate of conformity of factory production control</p> <p>0029-CPR-5456-1-0</p> <p>In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product(s)</p>	<p>Certificate N° 25/BE5456-1-REV 0</p>
--	---

This certificate applies to structural metallic products and ancillaries (area code 20) placed on the market under the name or the trademark of:

De Wandeler NV

Location:
Ringaertstraat 11, 8820 Torhout (Belgium)

And produced in the manufacturing plant:

same address as above

For the following scope:

Manufacture of load bearing structural steel components incorporated in permanent manner in building or civil engineering works

This certificate attests that all provisions concerning the assessments and verification of constancy of performance described in annex ZA of the standard(s):

EN 1090-1:2009+A1: 2011 (System 2+)
in accordance with technical implementation standard EN 1090-2:2018+A1:2024,
implementation class up to EXC 3

The factory production control is assessed to be in conformity with the applicable requirements

This certificate was first issued on **6/01/2023**

The approval is valid until 5/01/2027

and will remain valid as long as neither the harmonized standard, the construction product, the Assessment and Verification of Constancy of Performance methods (AVCP 2+) nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

Remarks:

The conditions of the standard EN1090-1:2009+A1:2011 from section B.4.1. until section B.4.4. must be fulfilled.
